- 25.3 $\tilde{r}\tilde{r}$. TR-Iboa TRT.MD.d.353: $\tilde{r}\tilde{r}$.
- 28.4.2 \tilde{r} . The kisver above, intersects with the pitch sign.
- 32.2–4 Since the consulted concordances do not provide meaningful values, the rhythmic structures of the groups are based on the similar passage repeating at divs. 53.3-54.2 where TR-Istek [2] was consulted.
- 32.4.2 \tilde{r} probably erroneous for \tilde{r} . TR-Istek [1]: \tilde{r} . TR-Iütae 249, p. 2777; TR-Iboa TRT.MD.d.353: \tilde{r} .
- 38.1–2 $\tilde{r}\tilde{r}$. TR-Iboa TRT.MD.d.353: $\tilde{r}\tilde{r}$.
- 41.4.3 \tilde{r} probably erroneous for \tilde{r} . TR-Iüne 203-1 features the same scribal mistake.
- 44.4 Orig. \tilde{r} \tilde{r} . The gap between \tilde{r} and \tilde{r} appears to be erroneous. Also the first pitch sign should be in superscript on the basis of div. 23.4 and 41.4. Accordingly, the groups are considered as one group and transcribed as $\tilde{r}\tilde{r}$. TR-Iüne 203-1 features the same scribal mistake.
- 47.2 $\tilde{r}\tilde{r}$. TR-Istek [2]: $\tilde{r}\tilde{r}$.
- 47.3 $\tilde{r}\tilde{r}$. TR-Istek [2]: $\tilde{r}\tilde{r}$; TR-Iütae 249, p. 2777: $\tilde{r}\tilde{r}$.
- 48.2 \tilde{r} . Most of the consulted concordances feature \tilde{r} .
- 50.3 $\tilde{r}\tilde{r}$. TR-Iütae 249, p. 2777: $\tilde{r}\tilde{r}$.
- 53.3–55.2 The rhythmic structures of the groups are based on TR-Istek [2].
- 57.2.1 There is an ink stain above the pitch sign.
- 58.1 There is an ink stain preceding the group and it extends towards the group (div. 60.1) at the below line in the manuscript.
- 65.2 $\tilde{r}\tilde{r}$. TR-Iütae 249, pp. 2789–90: $\tilde{r}\tilde{r}$; TR-Iboa TRT.MD.d.353: $\tilde{r}\tilde{r}$.
- 67.4 $\tilde{r}\tilde{r}$. TR-Iboa TRT.MD.d.353: $\tilde{r}\tilde{r}$.
- 68 The scribe omitted the division sign (:).
- 76.3.1 The marking above the pitch sign is not clear. However, it is interpreted as a kisver based on TR-Iüne 203-1.

Consulted Concordances

TR-Iboa TRT.MD.d.321, p. 158; TR-Iboa TRT.MD.d.353, img. 62–3; TR-Iboa TRT.MD.d.356, img. 194; TR-Iboa TRT.MD.d.369, p. 68; TR-Istek [1], p. 113; TR-Istek [2], fols. 114r–115r; TR-Iüne 203-1, p. 11; TR-Iütae 249, p. 2777; TR-Iütae 249, pp. 2789–90.
