Remarks

The piece is labelled as ‘2’ in Arabic numeral with a lead pen by a later hand.

The structure of the time units in one usûl cycle alternates between ‘2+3+2+3’ and ‘3+2+2+3’.

TR-Iüne 203-1 features an identical version of the piece. There are even the same scribal mistakes (see notes on divs. 6 and 35) which indicate a dependence between TR-Iboa TRT.MD.d.405 and TR-Iüne 203-1.
